

Sunday 6th November 2022 – Describing God?

Read: Psalm 145: 1-5,18-22

Psalms in the Bible are songs or poems that can be used to worship God. In the book of Psalms there are joyful psalms, sad psalms, psalms to help you know what to pray and many other examples. The Psalm we are looking at today talks about how people should always worship God and explains why they should – it talks about all the good things God has done, how he listens to all those who call on him, and how he watches over all those he loves. These are all reasons why we should worship God.

Pray: God, you are worthy of praise. Amen

Father in heaven watch over our loved ones.

Keep them by your side.

May they be safe and peaceful, in you may they abide.

Give wisdom to the doctors and nurses too we pray,
renew their strength and bless them for the work they do each day.

Send healing and restoration and let them feel your love.

May your Holy Spirit give them rest as gentle as a dove. Amen
